published by the Institute of Image Electronics Engineers of Japan, the English translation of which is not available. The Japanese Unexamined Patent Publication No. JP 2003-326756, was cited in the International Search Report (ISR) dated March 8, 2005. The ISR provides concise explanation of relevance required under 37 CFR 1.56 (c).

Since this Information Disclosure Statement is being filed within three months of the filing date of this application and before the mailing date of a first Office Action on the merits, no Statement under 37 C.F.R. §1.97(e) or fee under 37 C.F.R. §1.17(p) is required.

The submission of the listed documents is not intended as an admission that any such document constitutes prior art against the claims of the present application. Applicant does not waive any right to take any action that would be appropriate to antedate or otherwise remove any listed document as a competent reference against the claims of the present application.

No fee is believed to be required. Should any fee be required, please charge any deficiency to Deposit Account No. 50-0951.

Respectfully submitted,
